OPENING STATEMENT

PRESIDENT'S COMMENT

The United States Wrestling Federation has now become the recognized governing body for wrestling in the United States. Last year the membership in the USWF increased from 66,722 to over 77,000. Illinois was number one in total membership with 5,186. The Illinois Kids Wrestling Federation accounted for a total of 3,602. One is quick to recognize the dominance and importance of the Kids Program.

"Wrestling for Fun and Fundamentals" is the goal of our national kids program. Fun and Fundamentals implies working both the physical and psychological of our wrestling youth. Fundamentals and physical conditioning are the building blocks of any wrestling program.

Aside from technique and conditioning, wrestling plays a highly educational part of the development of these youth. A fundamental which every successful wrestler must acquire and has great carry-over value is self-discipline.

From self-discipline stems self-confidence and believing in one's self. Can a sport impart a greater lesson?

Success however, does not necessarily require winning. Winning can be fun. Equally, losing is hardly ever fun and may even at times seem traumatic. The stress that we as coaches put on wrestlers has a definite bearing on the amount of fun derived. Equally, the other half of the coaching staff-the-home- has a direct bearing. Pressures and expectations of you as parents also has a definite effect on this feeling of fun.

It is exciting as a coach, parent, and "friend of wrestling," to watch the growth, development and accomplishments of our "Illinois" wrestlers. Let us allow our youth to enjoy being a boy and really look forward to and enjoy becoming a young man. Wrestling has much to offer each individual participant and our direction in the IKWF is to assure this opportunity.

With this in mind, the IKWF welcomes you to the 1983 State Championships here at Northern Illinois University at DeKalb.

Oak Forest

Warrior Warhorse Championships

Aptly named the WARHORSE — the veteran, or one who has been through many stuggles; the 4th Annual WARHORSE CHAMPIONSHIPS will be held on Sunday, January 8th, 1984 at Oak Forest High School.

In the case of next year's tourney, the qualifying teams will be the veterans of this struggle TODAY at Northern Illinois University. The top sixteen finishing teams in the 1983 IKWF State Championships will automatically be eligible for the WARHORSE.

TEAM SCORING CHART

Superior Decision
(by 12 or more points)... 1 Point

Major Decision
(by 8 to 11 points)..... ½ Point

Advancement points are earned in every match (championship or consolation bracket) by the winner, except in matches which earn place points.

If a wrestler receives a bye in any round and wins his first contested match he shall receive two (2) advancement points for the win, plus "bonus points," if any, equal to those earned for a fall, superior decision, default, etc. In addition, he shall be awarded "bonus" points for the bye equal to the "bonus" points earned in the first contested match. These bonus points apply only to the first bye preceding the contested match.

90	95	100	105	111	118	125	135	145	155	170	185	UNL	TOTAL

Competition will be at the following 20 weight classes: 50-55-60-65-70-75-80-85-90-95-100-105-111-118-125-135-145-160-180-Unlimited. Each eligible team will be entitled to one entrant per weight class. A maximum of four wrestlers will be seeded in each weight class.

Tourney advancement will be single elimination style with a Bagnall-Wild wrestle-back to 3rd-place, plus Consolation Brackets for those not in wrestle-backs. All scoring will be according to IKWF regulations. Mat officials will be paid IHSA registered referees.

Custom trophies and medals, emblazoned with the WARHORSE logo, offer the entrants unique awards for their efforts. Team trophies will be awarded to the top four finishing teams. Individual awards will be presented to eight places.

This tourney should be an excellent mid-season barometer for gauging some of the top talents of the year, for kids' coaches and high school coaches alike. The WARHORSE also promises to be a great spectator event. Food and product concessions will be more than satisfactory.

Those teams unable to attend will be replaced with the next qualifying team. Call Ron Reichert at (312) 687-5443 for confirmation.

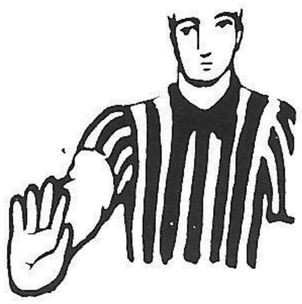
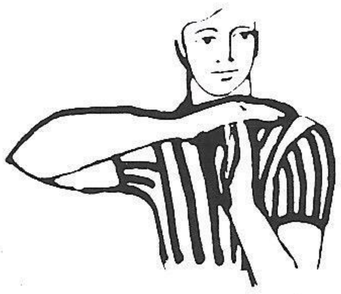
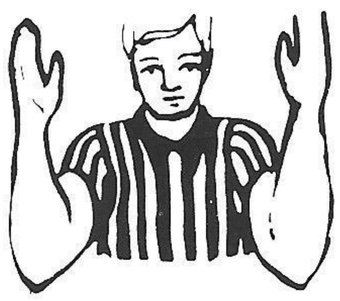
How To Watch A Wrestling Match



1 Stopping the Match



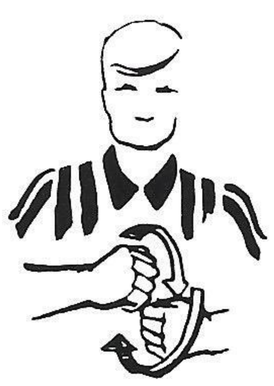
2 Technical Violation



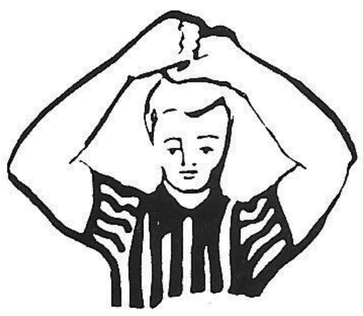
3 Neutral Position

4 Out-of-Bounds

5 Indicating No Control



6 Reversal



7 Interlocking Hands or Grasping Clothing

Unlike Boxing where no one, not even the boxers, know the score, the scoring in wrestling is precise and the progress of a match can be followed by both spectator and wrestler alike.

The point system used in wrestling is an evaluation of the activity on the mat. It is the referee's duty, among other things, to analyze the situation and signal the points to the scorer.

First . . . Both wrestlers come forward, shake hands, and step back to their designated area on the 10 foot circle.

Next . . . The referee blows his whistle and wrestling begins.

Now . . . Each wrestler is trying to get control of the other by taking him to the mat with a "Takedown".

Points . . . The first points are likely to be given for a TAKEDOWN. When one wrestler gets a takedown, the referee signals two points.

Then . . . The defensive wrestler (or bottom or "down") is trying to ESCAPE or REVERSE and get a hold with which he can keep his opponent's shoulders on the mat for two seconds-a FALL.

1st Period: Starts from standing or neutral position.

2nd Period: Starts from the "Referee's Position" on the mat. Choice of position is decided by the toss of a coin-the winner of the toss may choose either up or down.

3rd Period: Starts with the position at the start of the second period reversed.

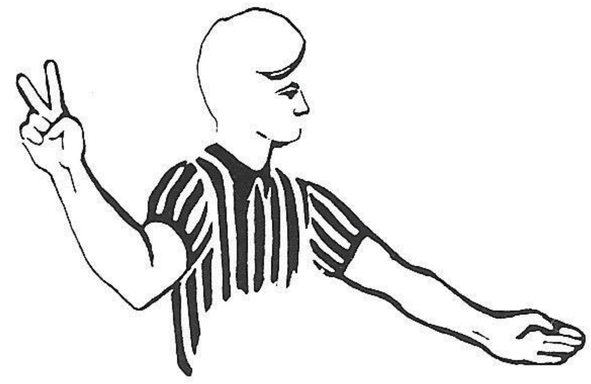
Point System (Definition of Terms)

The following is the point system used:

Takedown	2
Near Fall	2 or 3
Escape	1
Reversal	2

The following is the definition of terms used:

Takedown: From a neutral position, a wrestler gains a control over his opponent down on the mat.



8 Awarding Points

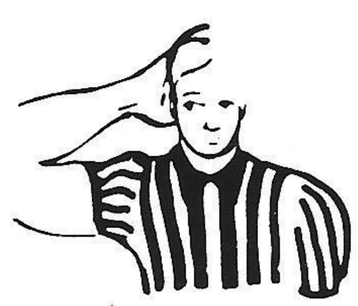
9 Near-Fall

10 Indicating Wrestler in Control

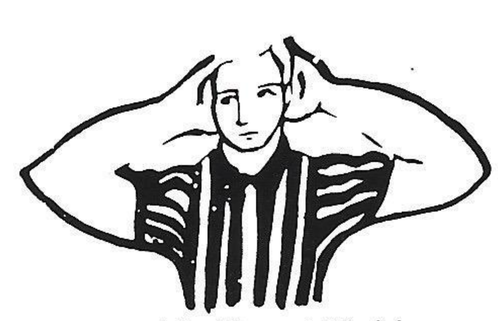
11 Warning

12 Caution for False Start

13 Stalemate



14 Potentially Dangerous Hold



15 Illegal Hold

16 Time Out

Escape: When a defensive wrestler gains a neutral position and his opponent has lost control.

Reversal: When the defensive wrestler comes from underneath and gains control of his opponent.

Near Fall: When the offensive wrestler has control of his opponent in a pinning situation and both shoulders or scapulae of the defensive wrestler are held momentarily stopped (restrained) within 4 inches of the mat or less, or when one shoulder or scapula of the defensive wrestler is touching the mat and the other shoulder or scapula held at at an angle of 45 degrees or less with the mat.

Fall: When any part of both shoulders or scapulae are held in contact with the mat for 2 seconds.

Decision: Earned by the wrestler who has scored the greater number of points.

Draw: Shall be declared if there were a tie in the number of points scored at the end of a match.

Default: Awarded when one of the competitors is unable to continue wrestling for any reason.

Forfeit: Received by a wrestler when his opponent, for any reason, fails to appear for the match.

Miscellaneous terms used:

Neutral Position: Position in whic neither wrestler has control.

Control: Situation in which a contesta exercises and maintains restrainir power over his opponent.

Position of Advantage: Position in whic contestant is in control of his opponen

2. WEIGH-IN. On the first day of the State Championships Tournament, a weigh-in for all wrestlers shall be a maximum of four (4) hours and a minimum of one (1) hour preceding the beginning of scheduled competition. On the second day of the tourney, a weigh-in for all wrestlers shall be held not more than three (3) and less than one (1) hour before the third session.

3. LENGTH OF MATCHES. All championship bracket matches shall be four (4) minutes in length, consisting of one 1-minute, and two 1½-minute periods.All consolation matches will be three (3) minutes in length divided into three 1-minute periods.

In case of a tie after regulation wrestling, the contestants shall wrestle in overtime, which shall consist of two (2) minutes in length, consisting of one ½-minute period and two ¾-minute periods.

4. OVERTIME MATCHES. Overtime matches will be conducted as provided in the Rules except that if there is a tie in points at the end of the overtime period, the referee will render the final decision, except in the championship bouts. In all the championship bouts, the referee will be assisted by a jury of officials. Furthermore, all points won, and penalities and warnings awarded, during the regulation three periods shall be carried over into the overtime period.

5. CRITERIA IN AWARDING REFEREE'S DECISION. The following criteria shall be used in order to determine winners in unresolved **overtime matches** in which the Referee is required to make a decision.

To determine the winner of an overtime match which ends in a tie the following criteria are applied in the order listed. These criteria apply to the overtime match and then the regular match:

(a) **Misconduct::** If a wrestler has been penalized for misconduct or unsportsmanlike conduct, his opponent shall be declared the winner.

(b) **Near-Falls:** If a tie remains, the wrestler who has accumulated the greater number of points for near-falls shall be declared the winner.

(c) **Takedowns:** If a tie remains, the wrestler with the greater number of takedowns shall be declared the winner.

(d) **Reversals:** If a tie remains, the wrestler with the greater number of reversals shall be declared the winner.

(e) **Escapes:** If a tie remains, the wrestler with the greater number of escapes shall be declared the winner.

(f) **Stalling Points:** If a tie remains, the wrestler whose opponent has been penalized the greater number of times for stalling shall be declared the winner.

(g) **Stalling Warnings:** If a tie remains, the wrestler whose opponent had been warned the greater number of times for stalling shall be declared the winner.

(h) **1st Near-Fall:** If a tie remains, the wrestler who scored the first near-fall shall be declared the winner.

(i) **1st Takedown:** If a tie remains, the wrestler who earned the first takedown shall be declared the winner.

(j) **Referee's Decision:**

(j) **Referee's Decision:** If none of the foregoing resolves the tie, the Referee (and/or mat judges or assistant Referee, if being used,) shall determine the winner on the basis of overall wrestling ability, including agressiveness.

The criteria for determining superior wrestling ability are attempts to secure falls, takedowns, reversals and escapes.

6. CONSOLATION MATCHES. 3rd, 4th, 5th and 6th place winners will be determined by wrestling back. Wrestlers defeated by winners of semifinal matches wrestle in the consolation bracket.

7. TIMEOUT. A total (cumulative for each wrestler) of three minutes is allowed during the progress of each match to care for injuries. No rest period is allowed for fatigue or for any other reason except as provided between bouts. In the event of bleeding, there will be no timeout limit to care for injury.

8. PENALTIES. Wrestlers shall be penalized and/or warned for technical violations, misconduct and/or abusive or unsportsmanlike conduct. Penalties and warnings are cumulative throughout the match. For an illegal hold, technical violation, stalling, unnecessary roughness or misconduct, the first penalty is 1 point, the second 1 point, the third 2 points and the fourth results in disqualification. Abusive or unsportsmanlike conduct at the first offense carries a penalty of 1 point and at the second offense carries the penalty of removal from the premises.

9. TIME LIMIT FORFEIT. Coaches are responsible to present their wrestlers to the mat scoring table within five (5) minutes of the of the announcements of the bout by the Arena Announcer. IKWF KIDS OPEN

You are attending the event that is the culmination of the 1983 Illinois Kids Wrestling Federation season, and the event that provides the prestige of permanent inclusion on the IKWF record book, the IKWF STATE CHAMPIONSHIPS.

This striving for state excellence was begun two weeks ago at the District tourney level and has carried through the Sectional tourneys last weekend. Adding today's State Championships, the state qualifiers have run the gamut of the State Series tournaments.

The IKWF State Series is the federation's method of preparing the young wrestler for the championship tourneys that he will experience in high school, college, and in some cases in international competition.

Hopefully with mat and tourney experience, we are conditioning our young athletes to cope with the stress of the "do or die" situations that can be present during a championship series match. But the IKWF state series does not provide our athletes with the age buffer that most of the other states in our country provide via age-group competition. The IKWF state series system of competition at 21 different weight classes, open to boys from 8-years of age to 15-years of age, is comparable to high school and college conditions.

Most kid-level programs in the other states provide age-group competition that has an age variance of only one year; for example, 9 and 10 year old Division, 11 and 12 year old Division, 13 and 14 year old Division, etc. But the age-group state series does not provide the same significance to the title **State Champion,** that has always been preferred here in Illinois.

The lack of age-group competition in the IKWF program has been of concern to many individuals within the IKWF ranks, but not enough to suggest that the IKWF state series be changed to age-group competition. Do not be confused in thinking that age-group tournaments that have been run in the past by IKWF clubs were part of the IKWF sanctioned program, because that was not the case.

But in 1980, the concept of an age-group IKWF tourney began to formulate as an aid to other IKWF needs. So the IKWF KIDS OPEN age-group tourney was born.

There are many facets of achievement to the IKWF program that the KIDS OPEN provides. This is not just another age-group tourney. Besides easing the competitive tensions related to large age differences, this particular tourney, the KIDS OPEN:

- brings together, in a common effort, individuals who are normally in conflict with each other (coaches, etc.)
- is an event that is geared to provide financial aid for the perpetuation of a kids wrestling program in Illinois that does not discriminate against recreation programs that are outside school systems
- provides for the wrestling individual IKWF competition that is of a far less serious nature than the State Championships

The KIDS OPEN is an IKWF event that is run exclusively by volunteers from the IKWF ranks. Coaches that normally sit at opposing corners of the mat find themselves sitting side-by-side scoring matches, elbow-to-elbow staging the matches to the mats, etc., etc. This is a tourney that doesn't include match coaching, the coaches are busied making sure that this tourney is well run. It is an exhibition of pride for the program that supports and promotes kids wrestling in Illinois.

A key ingredient involved in the KIDS OPEN success, both functionally and financially, is the fact that the referees totally donate their time to insure a successful federation event. Our gratitude to the referees is immeasurable!

The theme of the KIDS OPEN is donation. As a fund-raiser to provide funds to help finance the IKWF state series tourneys, all efforts are focused on providing KIDS OPEN needs and services on a donation basis.

But the financial success of the KIDS OPEN is not the whole story. The unselfish and motivated involvement of the IKWF clubs is a testament to the kids wrestling community. Many have left the tournament with a new respect for tourney officials and referees.

And the kids experiencing a wrestling involvement with a minimum of coaching, if any, get a new insight of the sport. There are many upsets at the KIDS OPEN, yet less pressure, and many more success stories. Most of the losers laugh it off, and boast of a victory "where it really counts." It is a good experience for all!
