OPENING STATEMENT

PRESIDENT'S COMMENT

USA Wrestling, formerly the United States Wrestling Foundation, is the recognized governing body for wrestling in the United States. The headquarters are still located in Stillwater, Oklahoma, the site of the wrestling Hall of Fame. Membership in the organization continues to grow at a record-setting pace from 77,000 in 1983 to over 87,000 this year. While busy as a member of the U.S. Olympic Committee, it still concentrates on the base of its organization — the "14 and Under" program.

The Illinois Kids Wrestling Federation, as a member of this "14 and Under" program, is second in the nation in membership only to Kansas.

"Wrestling for Fun and Fundamentals" is the goal of our national kids program. Fundamentals and physical conditioning are the building blocks of any wrestling program and are also very important to the educational development of these youth. It is quite apparent from the caliber of wrestling that one sees in our programs as well as our state series that the fundamentals are being taught and learned quite well.

One fundamental which every successful wrestler must acquire, that has great carry-over value, is self-discipline. Self-discipline nutures self-confidence and believing in one's self. We now touch an extremely important part of our wrestler — the psychological. We are also dealing with that "Fun" we profess. The pressures that we as coaches and families place on our wrestlers have a direct bearing on the aspect of fun. Remember, success does not always require winning and, conversely, losing does not require agony.

It is exciting to watch the accomplishments of these 506 finalists. But remember that there were almost 3600 other wrestlers representing over 140 teams in Illinois **that helped get them here.**

Congratulations to all Illinois kids wrestlers and teams on your seasons. For those moving on to high school — *Good Luck.* It will be fun following you. To those returning next year, we are looking forward to watching your growth and improvement. And to those wrestling coaches, parents, and "friends of wrestling" attending this year's 14th Annual IKWF State Championships — *Thank You.* Without you our series would not be possible.

As I complete my term as president of the IKWF, I would like to express my deep appreciation for the help and support of the eight sectional representatives listed in the front of this program and especially for Vice-President Joe Pedersen and Secretary - Treasurer Ron Reichert. I'm proud to have experienced the dedication and integrity of these men and have benefited greatly as have the wrestling youth of Illinois. *Thank You!*

With this in mind, we WELCOME YOU to the 1984 IKWF State Championships at Northern Illinois University.

1984 GRAND MARSHALLS

RAY CONRAD

Ray began his wrestling career at Carl Schurz High School where he was a four time state qualifier. At Wright Junior College, he was undefeated and a two time AAU Champion, also he was All Service Champion for two years.

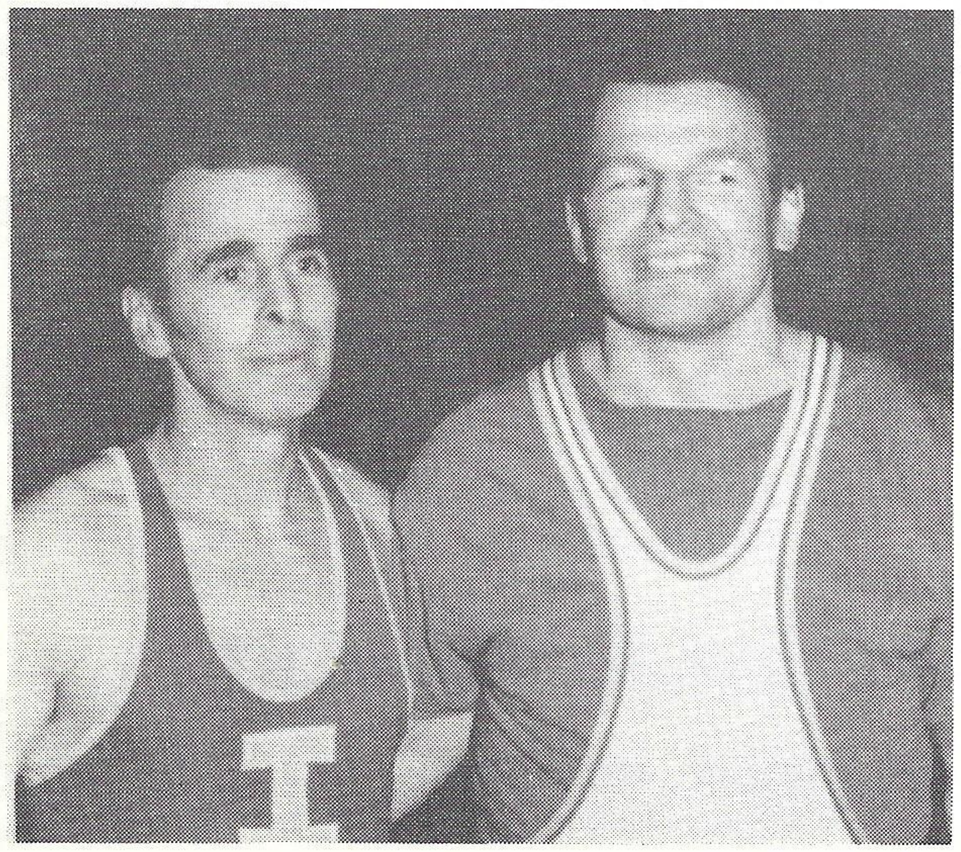
Ray has helped establish the Illinois Junior Program and has been involved with Junior Wrestling for the last twenty years. He is still presently coaching the Franklin Park Raiders. He has coached 38 Individual State Champions at the junior high and high school levels and 28 All Americans.

In 1971 & 72, Ray's Franklin Park Raiders placed 5th in the IKWF Championships. In 1973, his team placed 3rd and, in 1974, his team placed 8th.

In 1973, thirteen ex-Raiders were at the National Junior Championships which resulted in nine medal winners. In 1976, one former member made the Olympic Team. In 1982, eight ex-Raiders participated in the NCAA meet. Twelve of his ex-Raiders are now coaching at high schools and colleges.

For Ray Conrad's dedication to the sport of wrestling, it is with great pleasure that we introduce him as Grand Marshall for 1984.

RAY & ROY CONRAD



ROY CONRAD

Roy Conrad went to Carl Schurz High School in Chicago, Illinois, and went out for wrestling as a junior, qualifying for state twice and taking second place as a senior.

Since 1953, he has won numerous championships. He was undefeated in fifty duel matches in the Army and won the Far Western and Pacific Northwest AAU two years in a row. While in the Army during the years 1953 to 1955, he had accomplished the highest physical fitness records of the United States Army, being the seventh man ever to achieve a perfect score. He won eight Central AAU Championships and eight Park District Championships. While in college at Northern Illinois, he won three Wheaton Invitational Tournaments. In the IIAC Conference, he was the only one to win the championship four years in a row and in four different weight classes, (167 lbs., 177 lbs., 191 lbs., and Heavyweight). He was voted Most Outstanding Wrestler for three years during this time.

He qualified for the Olympic trial finals every Olympic year from 1956 thru 1964. In 1959, he was an alternate on the Pan American Team. He won the Little Nationals in 1960 and was not scored upon.

He won the NCAA title in 1960, the Midlands Tournament in 1963, and the Hazel Park Tournament in Detroit in 1964. Also in 1964, Roy won the Central Association of the Amateur Athletic Union of the United States Award.

In 1975, he was inducted into the Illinois Wrestling Hall of Fame. In 1982, the Chicago Park District presented him with the George T. Donoghue Memorial Athlete of the Year Award for outstanding character, sportsmanship, team play and leadership.

Roy, along with his brother Ray, has also been instrumental in the development of kids wrestling and it is with the highest esteem that we present Roy Conrad as Grand Marshall for 1984.

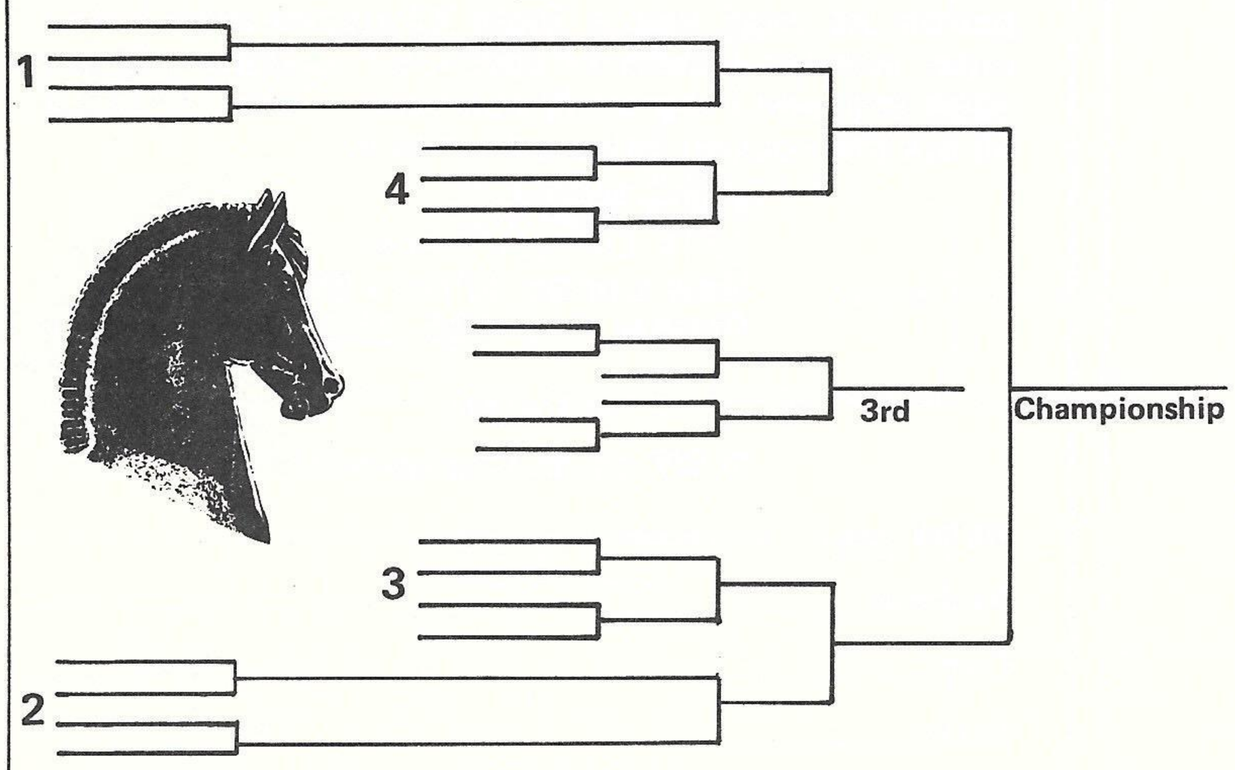
5th ANNUAL



Oak Forest

Warrior Warhorse Championships

Aptly named the WARHORSE — the veteran, or one who has been through many struggles; the 5th Annual WARHORSE CHAMPIONSHIPS will be held on Sunday, January 6th, 1985 at Oak Forest High School.

In the case of next year's tourney, the qualifying teams will be the veterans of this struggle TODAY at Northern Illinois University. The top sixteen finishing teams in the 1984 IKWF State Championships will automatically be eligible and four more will be invited for the WARHORSE.

TEAM SCORING CHART

Superior Decision
(by 12 or more points)... 1 Point

Major Decision
(by 8 to 11 points)..... ½ Point

Advancement points are earned in every match (championship or consolation bracket) by the winner, except in matches which earn place points.

If a wrestler receives a bye in any round and wins his first contested match he shall receive two (2) advancement points for the win, plus "bonus points," if any, equal to those earned for a fall, superior decision, default, etc. In addition, he shall be awarded "bonus" points for the bye equal to the "bonus" points earned in the first contested match. These bonus points apply only to the first bye preceding the contested match.

90	95	100	105	111	118	125	135	145	155	170	185	UNL	TOTAL

Competition will be at the following 20 weight classes: 50 - 55 - 60 - 65 - 70 - 75 - 80 - 85 - 90 - 95 - 100 - 105 - 111 - 118 - 125 - 135 - 145 - 160 - 180-Unlimited. Each eligible team will be entitled to one entrant per weight class. A minimum of four wrestlers will be seeded in each weight class.

Tourney format will be a standard bracket with a Bagnall-Wild wrestle-back to 3rd-place. All scoring will be according to IKWF regulations. Mat officials will be paid IHSA registered referees.

Custom trophies and medals, emblazoned with the WARHORSE logo, offer the entrants unique awards for their efforts. Team trophies will be awarded to the top four finishing teams. Individual awards will be presented to four places.

This tourney should be an excellent mid-season barometer for gauging some of the top talents of the year, for kids' coaches and high school coaches alike. The WARHORSE also promises to be a great spectator event. Food and product concessions will be more than satisfactory.

Those teams unable to attend will be replaced with the other top teams. Call Ron Reichert at (312) 687-5443 for confirmation.

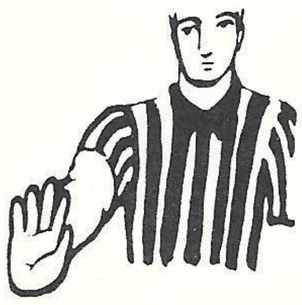
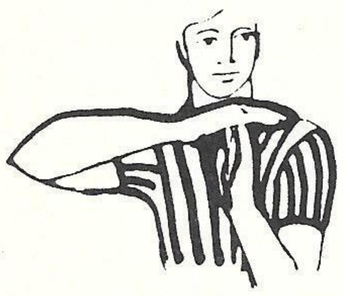
How To Watch A Wrestling Match



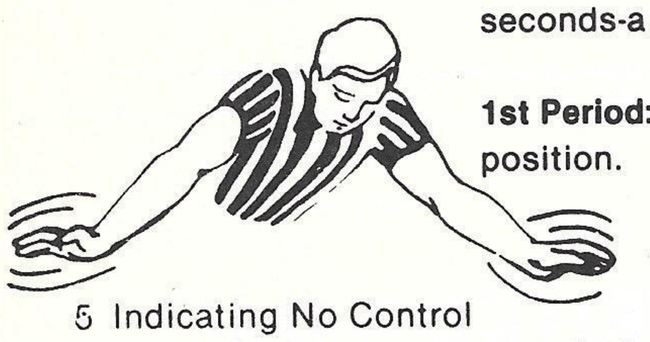
1 Stopping the Match



2 Technical Violation

3 Neutral Position

4 Out-of-Bounds



5 Indicating No Control

6 Reversal

7 Interlocking Hands or Grasping Clothing

Unlike Boxing where no one, not even the boxers, know the score, the scoring in wrestling is precise and the progress of a match can be followed by both spectator and wrestler alike.

The point system used in wrestling is an evaluation of the activity on the mat. It is the referee's duty, among other things, to analyze the situation and signal the points to the scorer.

First . . . Both wrestlers come forward, shake hands, and step back to their designated area on the 10 foot circle.

Next . . . The referee blows his whistle and wrestling begins.

Now . . . Each wrestler is trying to get control of the other by taking him to the mat with a "Takedown".

Points . . . The first points are likely to be given for a TAKEDOWN. When one wrestler gets a takedown, the referee signals two points.

Then . . . The defensive wrestler (or bottom or "down") is trying to ESCAPE or REVERSE and get a hold with which he can keep his opponent's shoulders on the mat for two seconds-a FALL.

1st Period: Starts from standing or neutral position.

2nd Period: Starts from the "Referee's Position" on the mat. Choice of position is decided by the toss of a coin-the winner of the toss may choose either up or down.

3rd Period: Starts with the position at the start of the second period reversed.

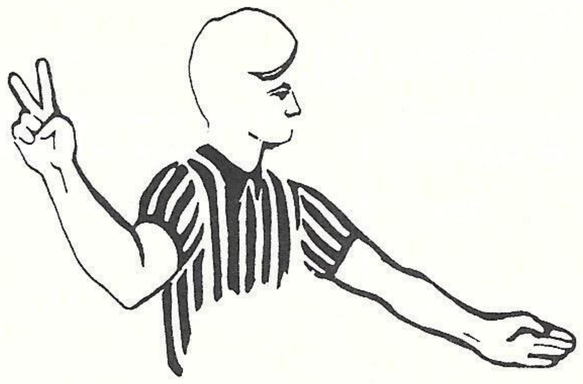
Point System (Definition of Terms)

The following is the point system used:

Takedown	2
Near Fall	2 or 3
Escape	1
Reversal	2

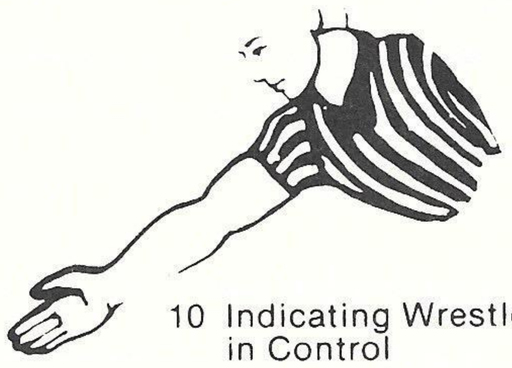
The following is the definition of terms used:

Takedown: From a neutral position, a wrestler gains a control over his opponent down on the mat.



8 Awarding Points

9 Near-Fall



10 Indicating Wrestler in Control

11 Warning

12 Caution for False Start

13 Stalemate

14 Potentially Dangerous Hold

15 Illegal Hold

16 Time Out

Escape: When a defensive wrestler gains a neutral position and his opponent has lost control.

Reversal: When the defensive wrestler comes from underneath and gains control of his opponent.

Near Fall: When the offensive wrestler has control of his opponent in a pinning situation and both shoulders or scapulae of the defensive wrestler are held momentarily stopped (restrained) within 4 inches of the mat or less, or when one shoulder or scapula of the defensive wrestler is touching the mat and the other shoulder or scapula held at at an angle of 45 degrees or less with the mat.

Fall: When any part of both shoulders or scapulae are held in contact with the mat for 2 seconds.

Decision: Earned by the wrestler who has scored the greater number of points.

Draw: Shall be declared if there were a tie in the number of points scored at the end of a match.

Default: Awarded when one of the competitors is unable to continue wrestling for any reason.

Forfeit: Received by a wrestler when his opponent, for any reason, fails to appear for the match.

Miscellaneous terms used:

Neutral Position: Position in which neither wrestler has control.

Control: Situation in which a contestant exercises and maintains restraining power over his opponent.

Position of Advantage: Position in which contestant is in control of his opponent.

3. LENGTH OF MATCHES. All championship bracket matches shall be four (4) minutes in length, consisting of one 1-minute, and two 1½-minute periods.All consolation matches will be three (3) minutes in length divided into three 1-minute periods.

In case of a tie after regulation wrestling, the contestants shall wrestle in overtime, which shall consist of two (2) minutes in length, consisting of one ½-minute period and two ¾-minute periods.

4. OVERTIME MATCHES. Overtime matches will be conducted as provided in the Rules except that if there is a tie in points at the end of the overtime period, the referee will render the final decision, except in the championship bouts. In all the championship bouts, the referee will be assisted by a jury of officials. Furthermore, all points won, and penalities and warnings awarded, during the regulation three periods shall be carried over into the overtime period.

5. CRITERIA IN AWARDING REFEREE'S DECISION. The following criteria shall be used in order to determine winners in unresolved **overtime matches** in which the Referee is required to make a decision.

To determine the winner of an overtime match which ends in a tie the following criteria are applied in the order listed. These criteria apply to the overtime match and then the regular match:

(a) **Misconduct::** If a wrestler has been penalized for misconduct or unsportsmanlike conduct, his opponent shall be declared the winner.

(b) **Near-Falls:** If a tie remains, the wrestler who has accumulated the greater number of points for near-falls shall be declared the winner.

(c) **Takedowns:** If a tie remains, the wrestler with the greater number of takedowns shall be declared the winner.

(d) **Reversals:** If a tie remains, the wrestler with the greater number of reversals shall be declared the winner.

(e) **Escapes:** If a tie remains, the wrestler with the greater number of escapes shall be declared the winner.

(f) **Stalling Points:** If a tie remains, the wrestler whose opponent has been penalized the greater number of times for stalling shall be declared the winner.

(g) **Stalling Warnings:** If a tie remains, the wrestler whose opponent had been warned the greater number of times for stalling shall be declared the winner.

(h) **1st Near-Fall:** If a tie remains, the wrestler who scored the first near-fall shall be declared the winner.

(i) **1st Takedown:** If a tie remains, the wrestler who earned the first takedown shall be declared the winner.

(j) **Referee's Decision:** If none of the foregoing resolves the tie, the Referee (and/or mat judges or assistant Referee, if being used,) shall determine the winner on the basis of overall wrestling ability, including agressiveness.

The criteria for determining superior wrestling ability are attempts to secure falls, takedowns, reversals and escapes.

6. CONSOLATION MATCHES. 3rd, 4th, 5th and 6th place winners will be determined by wrestling back. Wrestlers defeated by winners of semifinal matches wrestle in the consolation bracket.

7. TIMEOUT. A total (cumulative for each wrestler) of three minutes is allowed during the progress of each match to care for injuries. No rest period is allowed for fatigue or for any other reason except as provided between bouts. In the event of bleeding, there will be no timeout limit to care for injury.

8. PENALTIES. Wrestlers shall be penalized and/or warned for technical violations, misconduct and/or abusive or unsportsmanlike conduct. Penalties and warnings are cumulative throughout the match. For an illegal hold, technical violation, stalling, unnecessary roughness or misconduct, the first penalty is 1 point, the second 1 point, the third 2 points and the fourth results in disqualification. Abusive or unsportsmanlike conduct at the first offense carries a penalty of 1 point and at the second offense carries the penalty of removal from the premises.

9. TIME LIMIT FORFEIT. Coaches are responsible to present their wrestlers to the mat scoring table within five (5) minutes of the of the announcements of the bout by the Arena Announcer. KIDS MENU

Support the Tourney that supports you!

IKWF KIDS OPEN

The KIDS OPEN is an IKWF event that is run exclusively by volunteers from the IKWF ranks. Coaches that normally sit at opposing corners of the mat find themselves sitting side-by-side scoring matches, elbow-to-elbow staging the matches to the mats, etc., etc. This is a tourney that doesn't include match coaching, the coaches are busied making sure that this tourney is well run. It is an exhibition of pride for the program that supports and promotes kids wrestling in Illinois.

A key ingredient involved in the KIDS OPEN success, both functionally and financially, is the fact that the referees totally donate their time to insure a successful federation event. Our gratitude to the referees is immeasurable!

The theme of the KIDS OPEN is donation. As a fundraiser to provide funds to help finance the IKWF state series tourneys, all efforts are focused on providing KIDS OPEN needs and services on a donation basis.

But the financial success of the KIDS OPEN is not the whole story. The unselfish and motivated involvement of the IKWF clubs is a testament to the kids wrestling community. Many have left the tournament with a new respect for tourney officials and referees.

And the kids experiencing a wrestling involvement with a minimum of coaching, if any, get a new insight of the sport. There are many upsets at the KIDS OPEN, yet less pressure, and many more success stories. Most of the losers laugh it off, and boast of a victory "where it really counts." It is a good experience for all!

DOUBLE ELIMINATION!!!

1984 KIDS OPEN A BIG SUCCESS

not just in providing funds for our State Tournament series but in bringing our coaches, parents, officials and wrestlers closer together.

This year, KIDS OPEN was a demonstration of the progress of the IKWF, not only in the level of skill our wrestlers have attained but also in the numbers of coaches and parents who have become knowledgeable in tournament operations and the sport of wrestling in general. We have come a long way in our 14 year history.

In 1985, with the tourney located further south at Bloom Trail High School and the double elimination format, we hope to attract more wrestlers than ever.
