The largest horseshoe factory in the world is in Joliet.

The longest wrestling match ever was 11 hours. This occured between a Finn and a Russian in the 1912 Olympics.

The United States won the prestigious Belarus Cup this season, winning all 6 duals. Tom Erikson (Illinois) at 286 dominated all of his oponents.

Team Foxcatcher won the Deglane Tournament in France - Champions included Hall of Famer Ed Giese (Franklin Park Raiders) at 114.5. The team also had Paul Walker of Maine South competing in Greco Roman.

The gate receipts in Champaign for the 1943 IHSA State Championships were \$240.17. The wrestlers entry fees were \$145.50 for a total of \$385.67. WOW!

Stalling had a different ruling in 1943. If you were called for stalling on your feet, you were placed underneath - If you were called for stalling on top, you were brought to your feet - But, if you were called for stalling underneath, you lost by FALL.

Have you noticed how tough life is for today,s teenagers? They get their parents at such an advanced age that it's really difficult to retrain them.
