# OPENING STATEMENT

WRESTLING FOR FUN AND FUNDAMENTALS

A vital area among the U.S. Wrestlings Foundation's National Program is the U.S. Kids Division for participants 14 years old and younger. It is an area of deep concern about the physical and mental well-being of the young athletes.

Youth sports provide opportunities for learning to cope with moderate stresses, but they are equally amenable to placing too much stress on the child. The key to whether youth sports are opportunities for learning to cope, or are jungles where a high degree of coping is essential to survive is dependent on the objectives emphasized by parents, coaches and organizers.

When the predominant emphasis is toward the child's physical and psychological development and not just on winning, the chances increase that competitive stress will remain perspective.

The National U.S. Kids Council and the Illinois Kid Wrestling Federation strongly recommend that All Kids Programs endeavor to develop the overall stature of their participants by providing equal opportunities for involvement in wrestling regardless of the athlete's physical or mental ability.

With this in mind, the IKWF welcomes you to enjoy the 1981 State Championships here at McGaw Hall, Northwestern University.

## KEN KRAFT

Ken Kraft is probably the person who was most instrumental in the formation of the concept of the Illinois Kids Wrestling Federation. In 1969, Ken urged Ron Silverstein, IKWF's first president to invite Illinois wrestling coaches to a meeting for the discussion of an Illinois youth program. This meeting led to the formation of the IKWF.

Ken is serving as Northwestern's associate athletic director after 22 years as wrestling coach. The 1957 Big Ten 167-pound champion is also the founder of the Midlands, and past president of the U.S. Wrestling Federation. He worked as a wrestling commentator for ABC's coverage of the 1972 and 1976 Olympic Games, and was scheduled to work the 1980 games. This year he worked on ESPN's coverage of the Midlands for the second time. The author of a book, *Mastering Wrestling.* Ken is also a member of the Illinois Wrestling Coaches Hall of Fame.

## BILL WIENKE

Bill Wienke has the distinction of coaching the most IKWF State Championship teams. Bill's team, Indian Trails Junior High of Plainfield, has won three state championships and was runner-up once. In seven years as Indian Trails head coach, Bill has achieved a 64-9-1 overall dual meet record, including 58 consecutive wins (first 2 years they only had 6 meets per year). Competing in 10 in-season tournaments after 1976, Bill's teams placed first in 9 of them, after a 2nd place finish. Under Bill's guidance, Indian Trails were District Champs in 1976-1977-1978-1979-1980, Sectional Champs in 1977-1978-1979-1980, Sectional runner-ups in 1976, 12th place in state 1976, State Champs in 1977-1978-1979, and State runner-ups in 1980. Indian Trails qualified 61 boys for the State Championships, under Bill's leadership, with 37 boys gaining place recognition. Bill became the head wrestling coach at Romeoville High School this year and is working hard to develop a reputable team there.

# How To Watch A Wrestling Match

1 Stopping the Match

2 Technical Violation

3 Neutral Position

4 Out-of-Bounds

5 Indicating No Control

6 Reversal

7 Interlocking Hands or Grasping Clothing

Unlike Boxing where no one, not even the boxers, know the score, the scoring in wrestling is precise and the progress of a match can be followed by both spectator and wrestler alike.

The point system used in wrestling is an evaluation of the activity on the mat. It is the referee's duty, among other things, to analyze the situation and signal the points to the scorer.

**First . . .** Both wrestlers come forward, shake hands, and step back to their designated area on the 10 foot circle.

**Next . . .** The referee blows his whistle and wrestling begins.

**Now . . .** Each wrestler is trying to get control of the other by taking him to the mat with a "Takedown".

**Points . . .** The first points are likely to be given for a TAKEDOWN. When one wrestler gets a takedown, the referee signals two points.

**Then . . .** The defensive wrestler (or bottom or "down") is trying to ESCAPE or REVERSE and get a hold with which he can keep his opponent's shoulders on the mat for two seconds-a FALL.

**1st Period:** Starts from standing or neutral position.

**2nd Period:** Starts from the "Referee's Position" on the mat. Choice of position is decided by the toss of a coin-the winner of the toss may choose either up or down.

**3rd Period:** Starts with the position at the start of the second period reversed.

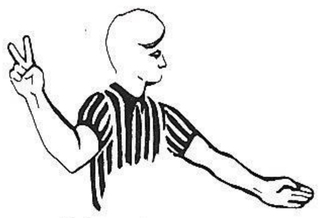
**Point System (Definition of Terms)**

The following is the point system used:

| | |
|---|---|
| Takedown | 2 |
| Near Fall | 2 or 3 |
| Escape | 1 |
| Reversal | 2 |

The following is the definition of terms used:

**Takedown:** From a neutral position, a wrestler gains a control over his opponent down on the mat.



8 Awarding Points

9 Near-Fall

10 Indicating Wrestler in Control

11 Warning

12 Caution for False Start

13 Stalemate

14 Potentially Dangerous Hold

15 Illegal Hold

16 Time Out

**Escape:** When a defensive wrestler gains a neutral position and his opponent has lost control.

**Reversal:** When the defensive wrestler comes from underneath and gains control of his opponent.

**Near Fall:** When the offensive wrestler has control of his opponent in a pinning situation and both shoulders or scapulae of the defensive wrestler are held momentarily stopped (restrained) within 4 inches of the mat or less, or when one shoulder or scapula of the defensive wrestler is touching the mat and the other shoulder or scapula held at at an angle of 45 degrees or less with the mat.

**Fall:** When any part of both shoulders or scapulae are held in contact with the mat for 2 seconds.

**Decision:** Earned by the wrestler who has scored the greater number of points.

**Draw:** Shall be declared if there were a tie in the number of points scored at the end of a match.

**Default:** Awarded when one of the competitors is unable to continue wrestling for any reason.

**Forfeit:** Received by a wrestler when his opponent, for any reason, fails to appear for the match.

Miscellaneous terms used:

**Neutral Position:** Position in which neither wrestler has control.

**Control:** Situation in which a contestant exercises and maintains restraining power over his opponent.

**Position of Advantage:** Position in which contestant is in control of his opponent.

| 85 pounds and under | 155 pounds and under |
| 90 pounds and under | 170 pounds and under |
| 95 pounds and under | 185 pounds and under |

and Unlimited

In accordance with the provisions of the 1980-81 official rules, a net increase of two (2) pounds shall be allowed (allowable February weight) in each weight classification. Two (2) additional pounds will be allowed on the second day of competition.

**2. WEIGH-IN.** On the first day of the State Championships Tournament, a weigh-in for all wrestlers shall be a maximum of four (4) hours and a minimum of one (1) hour preceding the beginning of scheduled competition. On the second day of the tourney, a weigh-in for all wrestlers shall be held not more than three (3) and less than one (1) hour before the third session.

**3. LENGTH OF MATCHES.** All championship bracket matches shall be four (4) minutes in length, consisting of one 1-minute, and two 1½-minute periods.All consolation matches will be three (3) minutes in length divided into three 1-minute periods.

In case of a tie after regulation wrestling, the contestants shall wrestle in overtime, which shall consist of two (2) minutes in length, consisting of one ½-minute period and two ¾-minute periods.

**4. OVERTIME MATCHES.** Overtime matches will be conducted as provided in the Rules except that if there is a tie in points at the end of the overtime period, the referee will render the final decision, except in the championship bouts. In all the championship bouts, the referee will be assisted by a jury of officials. Furthermore, all points won, and penalities and warnings awarded, during the regulation three periods shall be carried over into the overtime period.

**5. CRITERIA IN AWARDING REFEREE'S DECISION.** The following criteria shall be used in order to determine winners in unresolved **overtime matches** in which the Referee is required to make a decision.

The defending state champion must be actually defeated before he can lose a Referee's Decision. In other words, Referee's Decisions go to the champion—provided he is wrestling in the same weight class for which he is the defending state champion and he has been warned or penalized for stalling or abusive and unsportsmanlike conduct. If this is the case, the regular criteria will be followed.

(a) **Near Falls:** The wrestler who has accumulated the greater number of points for near falls shall be declared the winner. (If the above has produced equal points for each wrestler, the wrestler with the greatest number of three-point near falls shall be declared the winner.)

(b) **Stalling:** If a tie remains, the wrestler whose opponent has been penalized for stalling shall be declared the winner. (If each wrestler has been penalized for stalling, the wrestler with the greater number of penalities shall lose.)

(c) **Takedowns:** If a tie remains, the wrestler with the greater number of takedowns shall be declared the winner.

(d) **Reversals:** If a tie remains, the wrestler with the greater number of reversals shall be declared the winner.

(e) **Escapes:** If a tie remains, the wrestler with the greater number of escapes shall be declared the winner.

(f) **Warned for Stalling:** If a tie remains, the wrestler whose opponent has been warned for stalling shall be declared the winner.

(g) If a tie remains, the Refree shall award the match to the opponent of the wrestler who has been **penalized for a technical violation** which has prevented his opponent from scoring, such as inter-locking around body or legs, grasping clothing, or going off mat.

(h) If a tie remains, the opponent of the wrestler who has been **penalized for misconduct, abusive or unsportsmanlike conduct** shall be declared the winner.

(i) If a tie remains, the Refree shall determine the winner by **reapplying** the above criteria to competition during the **overtime only.**

(j) If a tie remains, the wrestler scoring the **first activity point(s)** in the **first period of the overtime** match shall be declared the winner.

(k) If a tie remains, the wrestler scoring the **first activity point** in the **first period of the regulation** match shall be declared the winner.

(l) If none of the foregoing resolves the tie, the Referee shall determine the winner on the basis of **overall wrestling ability,** including agressiveness. (The criteria for determining superior wrestling ability are attempts to secure falls, takedowns, reversals and escapes.)

(m) **State Championship Matches:** In the championship matches of the State Final Tournaments in which two judges are used to aid the Referee in reaching a decision, the judges shall cast ballots only if it becomes necessary to apply Item (L) to produce a winner.

**6. CONSOLATION MATCHES.** 3rd, 4th, 5th and 6th place winners will be determined by wrestling back. Wrestlers defeated by winners of semifinal matches wrestle in the consolation bracket.

**7. TIMEOUT.** A total (cumulative for each wrestler) of three minutes is allowed during the progress of each match to care for injuries. No rest period is allowed for fatigue or for any other reason except as provided between bouts. In the event of bleeding, there will be no timeout limit to care for injury.

**8. PENALTIES.** Wrestlers shall be penalized and/or warned for technical violations, misconduct and/or abusive or unsportsmanlike conduct. Penalties and warnings are cumulative throughout the match. For an illegal hold, technical violation, stalling, unnecessary roughness or misconduct, the first penalty is 1 point, the second 1 point, the third 2 points and the fourth results in disqualification. Abusive or unsportsmanlike conduct at the first offense carries a penalty of 1 point and at the second offense carries the penalty of removal from the premises.

**9. TIME LIMIT FORFEIT.** Coaches are responsible to present their wrestlers to the mat scoring table within five (5) minutes of the of the announcements of the bout by the Arena Announcer. If the wrestler does not report to the mat scoring table within the five-minute time limit, the wrestler shall forfeit the match.

**10. BOUT SCORING SYSTEM.** Refree will award points in an individual bout on the basis of:

| | |

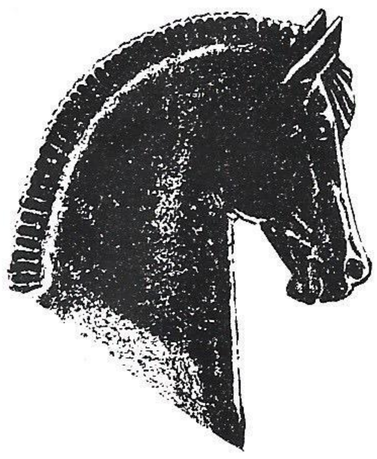
## Warrior Warhorse

Wrestling Tournament



The top eight finishing teams in the 1981 IKWF State Championships are automatically eligible for the WARHORSE CHAMPIONSHIPS on January 17th, 1982.

The WARHORSE represents the veteran, or one who has been through many struggles. The Warrior Wrestling Club, of the Oak Forest Park District, feels this aptly describes the top teams in the IKWF.

their weight class is full. A maximum of four wrestlers will be seeded in each weight class.

Competition will be at the following 20 weight classes: 50-55-60-65-70-75-80-85-90-95-100-105-111-118-125-135-145-160-180-Unlimited.

Those teams unable to attend will be replaced with the next qualifying team. Call Ron Reichert at (312) 687-5443 for confirmation.

# TEAM SCORING CHART

**Superior Decision**
(by 12 or more points)... 1 Point

**Major Decision**
(by 8 to 11 points)..... ½ Point

Advancement points are earned in every match (championship or consolation bracket) by the winner, except in matches which earn place points.

If a wrestler receives a bye in any round and wins his first contested match he shall receive two (2) advancement points for the win, plus "bonus points," if any, equal to those earned for a fall, superior decision, default, etc. In addition, he shall be awarded "bonus" points for the bye equal to the "bonus" points earned in the first contested match. These bonus points apply only to the first bye preceding the contested match.

# Making weight is only half the battle

Whether it's losing or just maintaining, making weight is a problem most wrestlers face. But it's only half the battle in preparing for a match.

The other half is sticking to a nutritionally balanced diet to combat loss of energy and fight practice fatigue while maintaining strength.

**Quick Start,** the nutritional weight control formula for athletes, provides the protein needed for strength and energy without the weight-producing calories. It's a balanced diet formula, enriched with vitamins and minerals.

Blended with milk or fruit juice, Quick Start power provides a tasty, nutritious meal replacement, diet supplement or quick energy snack to match individual weight control requirements. Each 16-ounce can provides 22 servings at a cost of about 35¢ per serving.

Quick Start — use it regularly to win the battle of making weight the safe, healthful way.

**TRY IT YOURSELF**

Welcome to IKWF State Championships! During the tournament, you're invited to stop by the ARDA booth for a Quick Start sample and complete nutritional information.

Dealer inquirers are invited, too
