OPENING STATEMENT

PRESIDENT'S COMMENT

Hello, wrestling fans! Welcome to the Prairie Capital Convention Center in Springfield, Illinois. Shortly you will be experiencing the excitement of the TWENTIETH ILLINOIS KIDS WRESTLING FEDERATION STATE CHAMPIONSHIPS! This year our event has been enhanced by our move to this beautiful convention center. Twenty years ago this series started out in a Junior High School Gymnasium. Through the unselfish efforts of so many individuals, organizations, and institutions - we have been able to grow and grow and grow. To all of you who have contributed to our organization in any way - A SPECIAL THANK YOU! It is because of you that we actually experience the quality events we have today - therefore you should take personal PRIDE in this our TWENTIETH ANNIVERSARY.

This year the IKWF is again setting all sorts of records for attendance, enrollment, and participation. Over the next two days you will witness some of the finest youth wrestling in the nation. Illinois is the leader in the number of teams enrolled and second in individual enrollment throughout the United States. From these impressive figures we will crown Twenty Individual State Champions! To the four hundred and eighty boys in quest of a State Championship - Good Luck To You!

I would like to congratulate all Illinois Kid Wrestlers and their teams on your seasons. To those of you moving on to high school - a wish for continued success is extended. It will be enjoyable and gratifying to follow you through your wrestling career and future successes. To those of you returning next year, we are looking forward to watching your growth and improvement. To all coaches, parents, and "Friends of Wrestling" who are attending this Twentieth Annual Tournament - THANKS AGAIN! Without you our series would not be possible.

Personally, I would like to express my deep appreciation for the help and support of the eight Sectional Directors and appointed chairmen listed in the front of this program. An EXTRA SPECIAL THANK YOU is extended, as always, to Vice-President Art Minsky and Secretary-Treasurer Ron Reichert. These two men and their families make many, many sacrifices throughout the year. Their seemingly inexhaustible energies and countless hours of work are an example which can serve as an inspiration to us all. I am extremely proud to have been associated with the dedication and the integrity of these two men and have benefited greatly, as has all of wrestling in Illinois from their contributions. They are truly the "work horses" of the Illinois Kids Wrestling Federation!!

Now without further delay, I wish to extend to you a very warm welcome to the 1990 Illinois Kids Wrestling Federation State Championship in Springfield, Illinois. I am sure we can expect a very exciting, memorable, and safe tournament!!

NOW LET'S WRESTLE!

Ray Czaszwicz
President, I.K.W.F.

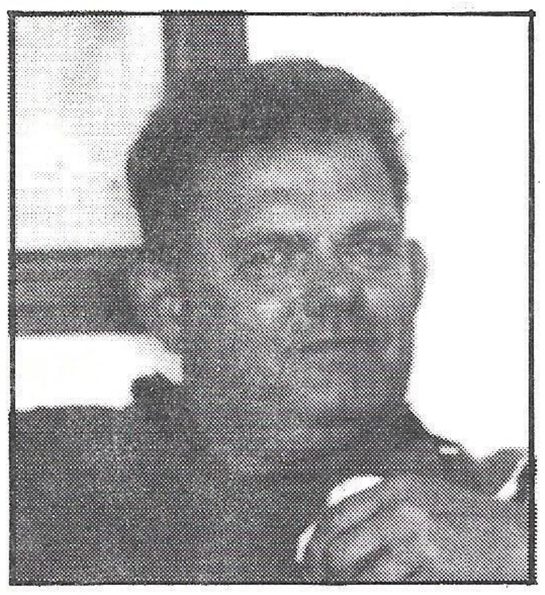
1990 GRAND MARSHALL

ART MINSKY



Most wrestling coaches get involved because of their sons. Art Minsky is an exception. He and his wife Joan have three daughters: Cheryl, Gail and Wendy. But Art's love of the sport of wrestling led him to the Tinley Park Bulldogs in 1969.

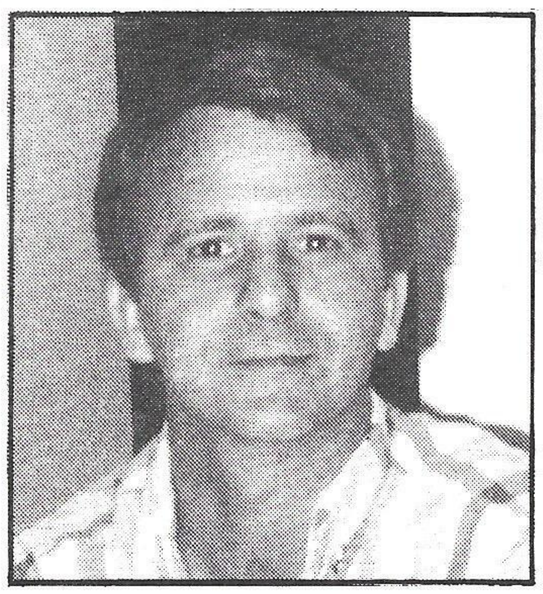
For fifteen years, Art worked with the Bulldog program as coach, head coach and athletic director. Some of the wrestlers who competed during Art's tenure are Don Stevens, Pat McMahon, Brian Edelen, Eric Schultz and Joey Gilbert.

Few people are as dedicated to the growth and development of young people as Art. In addition to his work with the Bulldogs, Art has coached baseball, football, volleyball and softball. He is also an active member of his church. Twice in the last two years, Art has traveled out of the country to help build churches.

Art served one term as South Chicago Sectional Director, and for the past six years has served as IKWF Vice President. Since 1984 he has been an IHSA official, spending many weekends officiating IKWF tournaments.

For his many years of service to the IKWF as both a coach and an officer, we are pleased to honor Art Minsky as Grand Marshall for 1990.

LOU FINCHAM



Lou Fincham began his wrestling career at Urbana High School, lettering in wrestling as a sophomore, junior and senior. As a senior, he was undefeated in regular season competition, winning both the conference and district championships.

Lou began coaching the Urbana Kids Wrestling Club when his oldest son showed an interest in 1976. He coached with the Knights and the Champaign Kids Club from 1983 to 1987. In 1988 he rejoined the Urbana Kids, coached there for two years, and retired after the 1989 season. During his 12 year coaching career, Lou coached at least one state qualifier every year.

Lou served as Central Sectional Director from 1982 to 1988. During his administration, participation in the Central Section became so large, part of the Section had to be transferred to the West. He is credited as being one of the best administrators in IKWF history.

For his dedication to the IKWF and the Champaign-Urbana Wrestling Clubs, we are proud to honor Lou Fincham as Grand Marshall for 1990.

11th ANNUAL Oak Forest

Warhorse Championships

Aptly named the WARHORSE — the veteran, or one who has been through many struggles; the 11th Annual WARHORSE CHAMPIONSHIPS will be held Date to be announced.

In the case of next year's tourney, the qualifying teams will be the veterans of this struggle TODAY at The Center, Springfield, Illinois. The top sixteen finishing teams in the 1990 IKWF State Championships will automatically be eligible and others will be invited for the WARHORSE.

TEAM SCORING CHART

Technical Fall
(Decision by 15 points). 1½ Points

Major Decision
(by 8 to 14 points) ..... 1 Point

Advancement points are earned in every match (championship or consolation bracket) by the winner, except in matches which earn place points.

If a wrestler receives a bye in any round and wins his first contested match he shall receive advancement points for the win, plus "bonus points," if any, equal to those earned for a fall, superior decision, default, etc. In addition, he shall be awarded "bonus" points for the bye equal to the "bonus" points earned in the first contested match. These bonus points apply only to the first bye preceding the contested match.

93	99	105	112	119	127	135	144	153	163	173	185	275	TOTAL

Competition will be at the following 20 weight classes: 60 - 64 - 68 - 72 - 77 - 82 - 87 - 93 - 99 - 105 - 112 - 119 - 127 - 135 - 144 - 153 - 163 - 173 - 185 - 275. Each eligible team will be entitled to one entrant per weight class. A minimum of four wrestlers will be seeded in each weight class.

Tourney format will be a standard bracket with a Bagnall-Wild wrestle-back to 3rd-place. All scoring will be according to IKWF regulations. Mat officials will be paid IHSA registered referees.

Custom trophies and medals, emblazoned with the WARHORSE logo, offer the entrants unique awards for their efforts. Team trophies will be awarded to the top four finishing teams. Individual awards will be presented to four places.

This tourney should be an excellent mid-season barometer for gauging some of the top talents of the year, for kids' coaches and high school coaches alike. The WARHORSE also promises to be a great spectator event. Food and product concessions will be more than satisfactory.

Those teams unable to attend will be replaced with the other top teams. Call Ron Reichert at (708) 687-5443 for confirmation.

IKWF KIDS OPEN

The KIDS OPEN is an IKWF event that is run exclusively by volunteers from the IKWF ranks. Coaches that normally sit at opposing corners of the mat find themselves sitting side-by-side scoring matches, elbow-to-elbow staging the matches to the mats, etc., etc. This is a tourney that doesn't include match coaching, the coaches are busied making sure that this tourney is well run. It is an exhibition of pride for the program that supports and promotes kids wrestling in Illinois.

The theme of the KIDS OPEN is donation. As a fundraiser to provide funds to help finance the IKWF state series tourneys, all efforts are focused on providing KIDS OPEN needs and services on a donation basis.

But the financial success of the KIDS OPEN is not the whole story. The unselfish and motivated involvement of the IKWF clubs is a testament to the kids wrestling community. Many have left the tournament with a new respect for tourney officials and referees.

And the kids experiencing a wrestling involvement with a minimum of coaching, if any, get a new insight of the sport. There are many upsets at the KIDS OPEN, yet less pressure, and many more success stories. Most of the losers laugh it off, and boast of a victory "where it really counts." It is a good experience for all!

DOUBLE ELIMINATION!!!

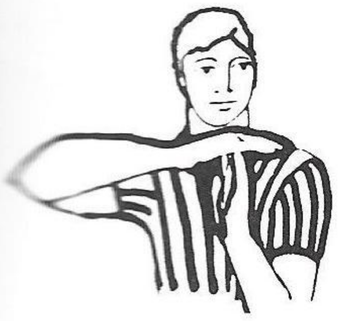
1990 THE KIDS OPEN WAS A BIG success not just in providing funds for our State Tournament series, but in bringing our coaches, parents, officials and wrestlers closer together.

This year, KIDS OPEN was a demonstration of the progress of the IKWF, not only in the level of skill our wrestlers have attained but also in the numbers of coaches and parents who have become knowledgeable in tournament operations and the sport of wrestling in general. We have come a long way in our 20 year history.

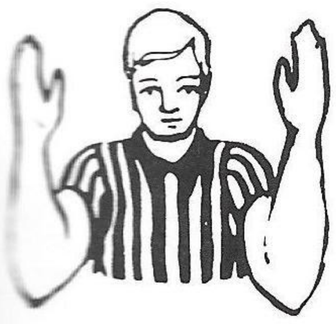
This year we had a record amount of Wrestlers, 1300 total. We also had 200 Volunteers for all the Head Tables and Mat Tables. Our thanks to all who participated.

How To Watch A Wrestling Match

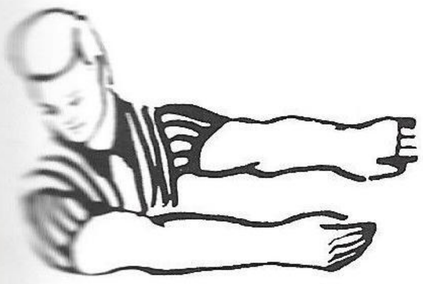
1 Stopping the Match



2 Technical Violation



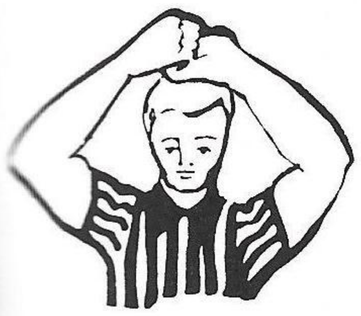
3 Neutral Position



4 Out-of-Bounds

5 Indicating No Control

6 Reversal



7 Interlocking Hands or Grasping Clothing

Unlike Boxing where no one, not even the boxers, know the score, the scoring in wrestling is precise and the progress of a match can be followed by both spectator and wrestler alike.

The point system used in wrestling is an evaluation of the activity on the mat. It is the referee's duty, among other things, to analyze the situation and signal the points to the scorer.

First . . . Both wrestlers come forward, shake hands, and step back to their designated area on the 10 foot circle.

Next . . . The referee blows his whistle and wrestling begins.

Now . . . Each wrestler is trying to get control of the other by taking him to the mat with a "Takedown".

Points . . . The first points are likely to be given for a TAKEDOWN. When one wrestler gets a takedown, the referee signals two points.

Then . . . The defensive wrestler (or bottom or "down") is trying to ESCAPE or REVERSE and get a hold with which he can keep his opponent's shoulders on the mat for two seconds-a FALL.

1st Period: Starts from standing or neutral position.

2nd Period: Choice of position is decided by the toss of a coin-the winner of the toss may choose either up, down, neutral or defer choice.

3rd Period: Other contestant has choice.

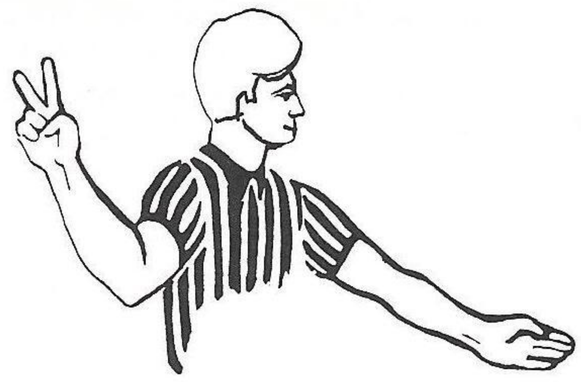
Point System (Definition of Terms)

The following is the point system used:

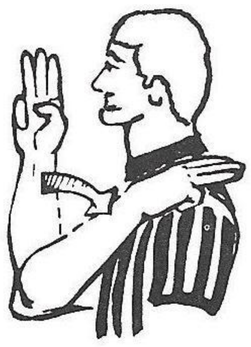
Takedown	2
Near Fall	2 or 3
Escape	1
Reversal	2

The following is the definition of terms used:

Takedown: From a neutral position, a wrestler gains a control over his opponent down on the mat.



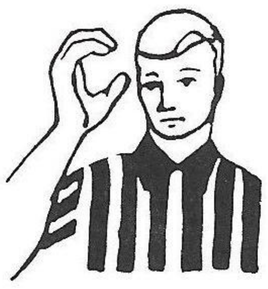
8 Awarding Points



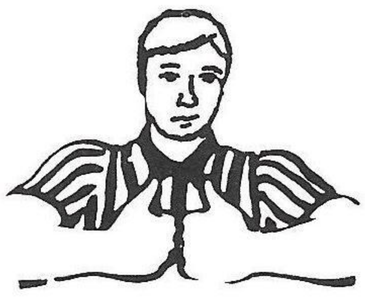
9 Near-Fall

10 Indicating Wrestler in Control

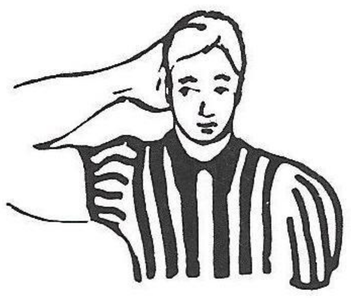
11 Warning



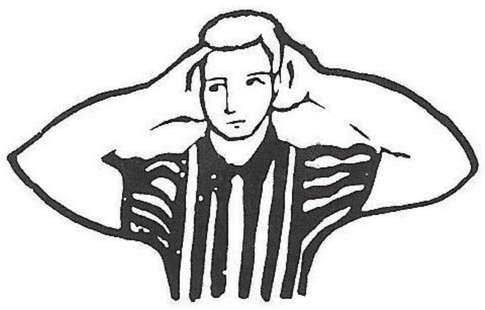
12 Caution for False Start



13 Stalemate



14 Potentially Dangerous Hold



15 Illegal Hold

16 Time Out

Escape: When a defensive wrestler gains a neutral position and his opponent has lost control.

Reversal: When the defensive wrestler comes from underneath and gains control of his opponent.

Near Fall: When the offensive wrestler has control of his opponent in a pinning situation and both shoulders or scapulae of the defensive wrestler are held momentarily stopped (restrained) within 4 inches of the mat or less, or when one shoulder or scapula of the defensive wrestler is touching the mat and the other shoulder or scapula held at an angle of 45 degrees or less with the mat for 2 seconds or more.

Fall: When any part of both shoulders or scapulae are held in contact with the mat for 2 seconds.

Decision: Earned by the wrestler who has scored the greater number of points.

Draw: Shall be declared if there were a tie in the number of points scored at the end of a match.

Default: Awarded when one of the competitors is unable to continue wrestling for any reason.

Forfeit: Received by a wrestler when his opponent, for any reason, fails to appear for the match.

Technical Fall: Wrestler gains 15 point lead over his opponent.

Miscellaneous terms used:

Neutral Position: Position in which neither wrestler has control.

Control: Situation in which a contestant exercises and maintains restraining power over his opponent.

Position of Advantage: Position in which contestant is in control of his opponent.
