Aptly named the WARHORSE - the veteran, or one who has been through many struggles; the 14th Annual WARHORSE CHAMPIONSHIPS will be held Date to be announced.

In the case of next year's tourney, the qualifying teams will be the veterans of this struggle TODAY at The Center, Springfield, Illinois. The top sixteen finishing teams in the 1992 IKWF State Championships will automatically be eligible and others will be invited for the WARHORSE.

Competition will be at the following 20 weight classes: 60 - 64 - 68 - 72 - 77 - 82 - 87 - 93 - 99 - 105 - 112 - 119 - 127 - 135 - 144 - 153 - 163 - 173 - 185 - 275. Each eligible team will be entitled to one entrant per weight class. A minimum of four wrestlers will be seeded in each weight class.

Tourney format will be a standard bracket with a Bagnall-Wild wrestle-back to 3rd-place. All scoring will be according to IKWF regulations. Mat officials will be paid IHSA registered referees.

Custom trophies and medals, emblazoned with the WARHORSE logo, offer the entrants unique awards for their efforts. Team trophies will be awarded to the top four finishing teams. Individual awards will be presented to four places.

This tourney should be an excellent mid-season barometer for gauging some of the top talents of the year, for kids' coaches and high school coaches alike. The WARHORSE also promises to be a great spectator event. Food and product concessions will be more than satisfactory.

Those teams unable to attend will be replaced with the other top teams. Call Ron Reichert at (708) 687-5443 for confirmation.
