Today 256 boys representing 84 teams will compete for the title "State Champion" in their weight class - but these boys are already champions, having won their places today from a field of close to 2000 boys state-wide. They are representatives of the best in Illinois wrestling; we, their coaches, teachers, parents and friends, offer congratulations and wish them continued success and growth in their wrestling careers.

The Illinois Kids Program has come of age this year, with enrollment state-wide limited to the best of our member teams. While the program owes its life to hundreds of devoted coaches throughout the state, a very special "Thank You!" goes to the Sectional Directors: GEORGE DITTER, BOB KENISON, WAYNE MILLER, LARRY STONITSCH, JON BONIC, MIKE CERQUA, CARSON DeJARNATT, and JOE THOLL. Incidentally, this was the first year a Sectional was held in Mattoon, and they had one of the largest tournaments, with 16 teams entered. Here in Des Plaines, our warmest thanks to DICK CARLINI at Maine West and to DAN BIANUCCI at Maine North for all their assistance.

In the near future: a state-wide directory of Kids Program coaches and teams, and exchange programs with other states....right now, LETS WRESTLE!
